EDUCATION

Master of Computer Applications

Indira Gandhi Delhi Technical University for Women

08/2025 – 07/2027

CGPA: 9.90/10

Bachelor of Computer Applications, Data Science

Vivekananda Institute of Professional Studies

10/2022 – 07/2025

CGPA: 9.07/10

SKILLS

Technical Skills

- **Programing Languages:** Python, C, C++
- **Machine Learning & Statistics:** Supervised & unsupervised Learning, Data Preprocessing, Model Evaluation, EDA
- **CS Fundamentals:** OOPs, Operating System, DBMS, Data Structures and Algorithms
- **Additional Tools:** SQL (MySQL), Jupyter Notebook, VS Code, Excel, Power BI

Soft Skills

- Leadership
- Teamwork
- Problem Solving
- Event Management

PROFESSIONAL EXPERIENCE

IBM Online Summer Internship

06/2024 – 08/2024

Data Analytics Intern

Project: Gender Inequality Impact on Economic Growth 

- Analyzed socio-economic data from **166 countries** using EDA and regression to assess the impact of gender inequality on economic growth.
- Found strong negative correlations between **GII and GNI ($r = -0.80$)** and **GII and HDI ($r = -0.92$)**, linking higher inequality to lower income and development.
- Identified **female secondary education as a key driver, $r = +0.64$ with GNI; $r = -0.81$ with GII** and visualized trends using interactive **Power BI dashboards**.

PROJECTS

DecodeAQI – Delhi

02/2026 – Present

- Compared **5 ML models** on weather-only features; used **SHAP** to reveal visibility & temperature explain **97.6% of AQI variance**.
- Identified **3 pollution typologies** across 23 NCR stations via **K-Means**; intra-city AQI spread exceeds inter-city variation and used **COVID-19 lockdown** to isolate human activity's AQI contribution.

LumenDetect

10/2025 – 12/2025

- Conducted a comparative analysis of YOLOv5, SSD, and RetinaNet under low-light conditions, evaluating detection accuracy, robustness, and real-time feasibility.
- Applied CLAHE, improving **mAP@0.5 by +3.4% overall**, and assessed performance using precision, recall, mAP, and inference speed.

CERTIFICATIONS

IBM SkillsBuild certifications — Data Analysis with Python  | Data Visualization with Python  | Applied Data Science with Python - Level 2 

Tata Forage — Data Visualization 

Great Learning Academy — SQL for Data Science 

ROLES AND RESPONSIBILITIES

PR Head — ACM Student Chapter

Headed public relations and external communications for technical events, managing outreach to speakers, collaborators, and sponsors to drive student engagement and chapter visibility.

Event Manager — Standards Club (BIS)

Led the planning and execution of events, contests, and industry visits (including visits to BIS labs), coordinating logistics, teams, speakers, and participants to promote awareness of standards and quality practices.
